### RESPONSE TO 6/10/03 OFFICE ACTION

Commissioner For Patents  
P.O. Box 1450  
Arlington, Va. 22313 - 1450

Sir:

The 6/10/03 Office action on page 2 thereof lists as responsiveness omissions (1) a complete listing of all claims under examination and (2) what limitations are present in claims 3 and 4.

As an additional response to the 6/10/03 office action

In the claims - Cancel Claims 3 and 4.

### REMARKS

In the 4/8/03 Response to the 1/9/03 Office Action it was desired to narrow the claims to three ex parte Jepson claims 10, 11, and 12 written around figures 1 and 2 with each having the distinguishing feature of the novel perylene compound N,N' -di(n-1H, 1H- perfluorooctyl) perylene 3,4,9,10 - tetracarboxylic acid diimide.

In the 4/8/03 cancellation instructions claims 3 and 4 were inadvertently not included.
